Thank you for your interest in The Organic Nursery.

Our 45 place nursery, is an open plan space, divided over 3 rooms:

**Room 1:** Crawlers & Cruisers

**Room 2:** Moovers & Groovers

**Room 3:** Wigglers & Gigglers

Our shared spaces allow us to create an environment where children are able to move freely, develop social skills, explore, and instinctively engage in, embrace and direct their own learning, under the guidance and supervision of our experienced staff.

Here at The Organic Nursery, we believe that every child is unique, special and precious. We will support, care, respect and encourage our children on their learning journey. Through providing a vibrant curriculum we will be able to stimulate all senses, helping our children to learn through play. We care as much as you do.

### **Our Ethos:**

Through our provision of a stimulating, safe, educational environment, we will nurture our children with care, compassion and love, allowing each child to flourish and make progress during these first early years.

#### Our Aims:

To provide a vibrant, engaging, fun, safe, secure environment that encourages curiosity, exploration and investigation through play; supporting early learning and development.

To nurture every child as an individual, reading and responding to their needs, putting them at the centre of curriculum planning, giving them the best possible start to life.

Respect each child's independence, their individuality, tune into their way of learning, providing rich experiences to suit their needs.

To work in partnership with parents to support each child, allowing a seamless continuation of their development at home.

To listen.

To be ambitious for and have high yet realistic expectation of your child.

#### The Early Years Foundation Stage.

Our Crawlers and Cruisers Room can accommodate up to 12 babies. The layout of the room allows them to explore and discover the world around them. We provide opportunities for messy play, music, sensory opportunities and physical development in an environment where they lead the direction of play! And when it's time to relax, there is a place for that too, with each child's own sleep area and their own personal handmade blanket.

Our Movers and Groovers Room can accommodate up to 23 toddlers. Again, allowing them to explore, be creative, develop their independence and allow their imaginations to run free. The space and activities are ever changing to spark and arouse curiosity, encouraging development in all areas of the early years framework

We have our very own Bookworm Balcony - an area specifically designed to help develop and encourage their literacy skills whilst awakening their imaginations and crucially, engendering a love of reading and the written word.

Our Wiggles and Giggles Room can accommodate 12 preschool children. As we are able to offer a free flow experience of the different development areas, the children are constantly free to use all of the spaces, exploring that which has sparked their curiosity at any given time.

**Water, sand and messy play**

**Role play and imaginative opportunities**

**Heuristic play allowing for self-discovery, engendering a love of learning**

**Construction and small world play**

**Story telling**

**Dance, Music, Physical and sensory experiences**

**Creative workshop**

**Investigating nature**

**Literacy and numeracy development**

# We would love to meet you!

Come and see us!

The best way to see what we are about is to come and see our children and staff in action. You are welcome to book a visit at a time that is convenient to you, when you will be given a tour of the nursery whilst your child gets involved in a range of activities taking place at that time, giving you the opportunity to observe us on a typical day and ask any questions you may have.

If you decide to place your child in our care, you will complete the online registration document which will secure your place. We will then plan your settling in sessions. Every child is different and we will offer as many settling in sessions as you and your child need. We want you both to feel happy when it comes to their first session going solo. This will be guided by YOU as you know your child best!

We want to build a long term relationship together, initially enjoying sessions together, then, at each child's pace, increasing the amount of time your children are left unaccompanied by you.

---

---

# Our Staff

**We have a highly experienced, professional, caring team of staff, who are dedicated, enthusiastic and take pride in supporting our children to achieve their potential. Through providing a fun, loving and nurturing environment we strive to give the best possible opportunities for our children.**

All our staff are fully trained and our selection process is rigorous, We appoint staff who are, passionate about childcare, are sensitive to the needs of our children, are well able to support and promote development and most importantly, are committed to the development and progress of each child in our care.

Our staff are DBS checked and have first aid qualifications. They are kept informed of any new developments in the field of childcare, and are given continuous training opportunities to ensure that we can provide the quality care your child deserves.

## Our Parents

The final and equally important team member is YOU- the parent. We all want the same thing - to give your child the best possible start in life. Together, working in partnership, we can ensure the uniqueness of your child is encouraged, supported and celebrated

We provide various resources to keep you well informed about your child's development and we will communicate at every possible opportunity, making sure you feel secure in knowing your child is in the best possible care.

# Food Glorious Food!

---

*Home cooked food using natural, organic, free range foods*

---

## Our Menu's

Meal times are fun, social times here at The Organic Nursery.

We make our food fun yet balanced and nourishing; we provide a wide range of tastes, textures and different flavors. It is so important to teach the children about healthy eating from the onset and what better place to start and experiment!

Our menu is created by our chef who works alongside a qualified nutritionist so you know your children is getting a healthy and well balanced diet at every stage of their development.

Our food is fresh, locally sourced, home cooked and freshly prepared every day, so you can be sure your child is getting a well-balanced, healthy meal. Wherever and whenever possible, we use organic fruit and vegetables (including our own home grown food) and free range produce.

# Policies and Procedures

A full range of nursery policies can be found on our website and are available on request.

## Fees:

0-3 years 52.00 per day 7.30 am – 6.00pm

4-5 years 45.00 per day 7.30-6.00

0-3 years full time reduction of 25.00 per week = 100 monthly reduction

4-5 years full time reduction of 25.00 per week = 100 monthly reduction

Fees are due monthly. Monthly fees = weekly fees x 51 ÷ 12

Fees include all the children's meals, refreshments and nappies.

Discount available for older siblings

To secure your child's place there is a 100.00 deposit which is deducted from your final invoice.

Help with your childcare cost:

Childcare vouchers – offered by employers as an employee benefit (can save working parents up to 1000.00)

Free entitlement – a government initiative to give all three and four year olds 15 hours per week over 38 weeks before they reach the first term following their fifth birthday.

Please speak to the staff to find out more or visit [www.gov.uk](http://www.gov.uk) to find out more
